Intro duction

With over 20 years of experience in manufacturing high quality children's apparel for premium international apparel labels, we recently launched our our flagship brand "kiddles". We strive to consistently deliver the trust placed on us by millions of parents and caregivers over the decades in every continent by continuing to provide high quality, safe, durable, comfortable and affordable products while complying with industry best practices.

Our apparels are made of 100% natural cotton fabrics allowing for that extra comfort and breathability. Our childrens apparel product portfolio incudes t shirts, pants, leggings, body suits, sleep suits, pajama sets, blankets, bibs, caps, mittens, socks and much more!

Our factories comprising more than 1200 machines follow internationally accepted standards and are sedex, bsci, oeko-tex and higg certified. Come join us and let's grow together with "kiddles"!
